(FY2008 Appropriation Bill - Public Act 123 of 2007)

**September 30, 2008**

**Section 219:** (1) The department may contract with the Michigan public health institute for the design and implementation of projects and for other public health related activities prescribed in section 2611 of the public health code, 1978 PA 368, MCL 333.2611. The department may develop a master agreement with the institute to carry out these purposes for up to a 3-year period. The department shall report to the house of representatives and senate appropriations subcommittees on community health, the house and senate fiscal agencies, and the state budget director on or before November 1, 2007 and May 1, 2008 all of the following: (a) A detailed description of each funded project. (b) The amount allocated for each project, the appropriation line item from which the allocation is funded, and the source of financing for each project. (c) The expected project duration. (d) A detailed spending plan for each project, including a list of all subgrantees and the amount allocated to each subgrantee. (2) On or before September 30, 2008, the department shall provide to the same parties listed in subsection (1) a copy of all reports, studies, and publications produced by the Michigan public health institute, its subcontractors, or the department with the funds appropriated in part 1 and allocated to the Michigan public health institute.
